PUPPY KINDERGARTEN REQUIREMENTS & TIPS

The following must be submitted prior to your first session:

- Proof of the following vaccinations (a current vaccine titer from your veterinarian is also acceptable):
 - Distemper, Hepatitis, Parvo, Parainfluenza (DHPP) or Distemper, Hepatitis, Leptospirosis, Parvo, Parainfluenza (DHLPP)
 - Bordetella
 - Rabies (at 12 weeks)

Note: Some puppies will not be old enough to have received the full round of required vaccinations before the start of class, but *ALL puppies must have had the first round of vaccinations at least one week prior to class.* Please follow your vet's vaccination schedule.

- Payment:
 - Your prepayment is your reservation. Preregistration without payment does not guarantee a spot.
 - We accept cash, check, MasterCard, Visa, Discover, and American Express.
 - Payments can be made online by logging in to www.DentlersDogTraining.com/client-portal.
- Completed Liability Waiver form (if you registered online you have already completed this form).

What to bring:

- A 6-foot leash. Leather or nylon is acceptable. Please, no retractable leashes.
- A flat, buckle or quick-snap collar. A harness is also acceptable, and encouraged. Absolutely no choke or prong collars.
- Most young dogs are motivated by food, so we suggest small, soft treats. You can buy treats if you like, but chicken, lunch meat, or string cheese cut up into the size of an M&M usually work great. (Do not feed your puppy before class. He will be much more motivated on an empty stomach.)
- A treat bag is suggested but not required. It keeps crumbs out of your pockets and it's handier than a plastic bag or container.
- Your dog!

Things to know:

- We will communicate with you primarily via email.
